## **Re: Interior Sindh Flood Relief Initiative**

Assalam-Alaikum,

We hope this letter finds you well and in good spirits. We are sharing the below for your kind attention and perusal:

### **About FEMT:**

FEMT was formed by our Founding Trustee, Mr. (Late) Amirali L. Patel and his good friends on 7<sup>th</sup> April 1968 as a charitable trust to provide educational & medical assistance to deserving under-privileged students and individuals and execute charitable works to benefit the community and country at large. As of writing this letter, the FEMT School Network manages 13 charitable schools across Pakistan (3 schools in Karachi and 10 schools in Gilgit Baltistan) with a combined student strength of more than 14,000 students. The expenses of our schools are met by the generous contributions of our local and overseas donors.

### **Rationn Distribution & Reconstruction of Homes for Floor Victims in Interior Sindh:**

This past July & August 2022, every square inch of interior Sindh has been affected by unusual and unexpected heavy rains which led to floods. These floods have left destruction and devastation in their aftermath. Hundreds of thousands of residents of different parts of Interior Sindh have been affected by these floods. Some people lost their lives, while others were deprived of their homes. Their animals, a main source of their bread and butter, also died during the floods. In short, the entire lives of residents of Interior Sindh have been badly affected and come to complete standstill.

In the aftermath of the floods, the standing water and continuous rain have also caused supplemental issues for already struggling Interior Sindh residents. This rain disaster has created immense food insecurity, as household can no longer have access to even basic grocery items.

The FEMT family have taken this opportunity to help our fellow brothers and sisters living in Interior Sindh and have thus initiated a ration distribution for the rain affected people of Interior Sindh.

## **Phases of Ration of the drive:**

This ration distribution drive will be conducted in three phases:

1. First Phase: 500 ration packs along with 2 mosquito protection nets for each family (500\* 2=1000) and 24 liters of drinking water in a pack size of 6 liters each will be provided to each family.
2. The Second phase will be much larger in terms of volume, where 1500 families will be catered to.
3. In the third phase, the volume is planned be even larger than the previous 2 phases and 3000 families will be catered to.

## **Mechanism for carrying out the Ration drive:**

FEMT will be supplying ration packs along with some basic medicines, mosquito protection nets (2 mosquito protection net for each household) and 24 liters of drinking water with a pack size of 6 liters to each family to the most vulnerable areas affected by heavy rains within Interior Sindh areas. FEMT is currently focusing on the victims of the heavy rains with in the upper part of Interior Sindh.

FEMT team members will be visiting the upper Sindh areas; which are most vulnerable after these heavy rains and through our local partners, who are already in a process of preparing list of most deserving people with special focus to those whose homes have been destroyed during this heavy rainfall. Moreover, we are focusing on those households who are already living life below the poverty line even before this tragedy occurred.

Our team members along with local representatives will visit their villages and after the initial vetting process, will hand over ration bags and other necessary items to the households.

6	Tea pack	250 grams
7	Pulses (Channa)	1 kg
8	Pulses (Mong)	1 Kg
9	Drinking water	24 liters to each household
10	Mosquito protection nets	2 for each family
11	Match box	1 packet
12	ORS	6 sachet packs
13	Panadol	4 packets
14	Johar joshanda	4 packets

## FEMT's aspiration for the coming weeks ahead:

In the days to come FEMT aspires to dive into another tough valley of rehabilitation initiative: the reconstruction of destroyed houses in the rain affected areas of Interior Sindh. We know the intensity of this work both in term of financial resources and human resource requirement; but we believe in the notion that if Allah SWT wishes this work to be carried out than this would be carried out; if not we, then somebody else will be chosen by Allah SWT for this work. We consider this as the opportunity, for showering of Allah SWT pleasure and blessings on us. FEMT is planning for the construction of 200 destroyed homes within rain affected areas within Interior Sindh and we received an initial commitment from one of our donors for the construction of 10 homes worth Rs. 2.5 million in this regard.

## Concluding remarks:

We humbly request your involvement in the drive in terms of participating the ration bags or the upcoming reconstruction of homes in Interior Sindh.

We are thankful for your support in the past, and promise to embrace transparency as we have always done in this mission.

Your contributions, suggestions and queries are welcomed.

Thank you for being a blessing to the needy. May Allah SWT bless you and your family.

All valuable contributions and donations can be deposited in the below mentioned bank account. Subsequently, we request you to kindly share the deposit slip via Whatsapp on 0309-111-3368 (111-FEMT).
